

**Learning Experiences
Where You Want, When You
Want, and How You Want!**

What Is A LearnShop?

A LearnShop is an individual or group learning experience that promotes lifelong learning. Participants are usually driven and curious knowledge-seekers who value excellence.

How Would This Help Me?

If you are a learner, the learnshop catalog is a smart and simple way to locate and experience quality tutorials, demonstrations, and courses that will help you reach your personal & professional goals. If you are also an educator seeking a way to better serve your current interest group, or reach new audiences, our unique blend of technology and venue partnerships helps reduce administrative burdens & boost participant experience!

How Do I Sign Up?

OUR PARTNERS:

www.TheLearnShop.com

The LearnShop is a network of professional experts in various hobbies and professions who conduct fun, interdisciplinary learnshops with corporations, groups, and individuals. Through our alliances and expertise, we deliver on-demand employee education programs, e-learning, team building and unique group experiences.

Our exclusive division of verified education partners who coach, tutor, or teach independently, offer additional learnshops to customers at select venues or online. Through our toolkit of web-based and venue-driven services, we empower qualified trainers and redefine education enterprises.

A portion of our proceeds feed directly into LearnShop Foundation¹, a 501(c)3 tax-exempt organization dedicated to promoting lifelong learning and wellness through creative outreach programs for at-risk youth and the unemployed. Our foundation's mission is to curtail college attrition and correlated workplace morale problems through exploring interdisciplinarity. What Is Lifelong Learning?

Lifelong learning, also known as LLL, is the "lifelong, lifewide, voluntary, and self-motivated" pursuit of knowledge for either personal or professional reasons.

As such, it not only enhances social inclusion, active citizenship and personal development, but also competitiveness & employability.
